

MaloFeb

L-Methylfolate, Vitamin B12
Plus Alpha Lipoic Acid

Dietary Supplement For
Diabetics, CNS & Peripheral
Neuropathy

Supplement Facts

Each Tablet contains:

Vitamin B12 (USP)	100mcg
Alpha Lipoic Acid (USP)	100mg
L-Methylfolate (USP)	400mcg

MaloFeb is useful for diabetics, CNS and peripheral neuropathy. Helps lower blood sugar levels, improve nerve function, and relieve uncomfortable symptoms in the legs and arms such as numbness, tingling, burning, nerve pain, pins and needles.

MaloFeb is effective in supporting the healthy function of the central nervous system.

DOSAGE & ADMINISTRATION:

Adults: 1 tablet twice daily or as advised by the physician.

PRESENTATION:

Available in 20's Tablets Pack.
