

TRIZIN-M

Tribulus Terrestris, Panax Ginseng, Ashwagandha,
L-Arginine, Selenium, Vitamin E & Zinc

MALE ENHANCEMENT SUPPORT

TRIZIN-M contains Tribulus Terrestris which is used to boost libido, daily intake helps to increase desire and drive.

TRIZIN-M contains Ginseng that enhances male performance, improves male fertility through modulating the neuronal and hormonal systems, promotes spermatogenesis, and acts directly on sperms.

TRIZIN-M provides L-Arginine which helps to improve sexual function in men with erectile dysfunction.

TRIZIN-M enriched with Ginkgo Biloba that increases blood flow to the penis and effective for healthy erection.

TRIZIN-M has Zinc which helps to produce key hormones, such as testosterone and prolactin and also may impact male sexual competency.

TRIZIN-M has Ashwagandha (Withania Somnifera) which can boost testosterone and increases fertility in men, also may increase muscle mass, sperm count and strength.

TRIZIN-M provides Selenium. Drive may be decreased due to deficiency of Selenium. Selenium not only provides a libido boost, but also increases sperm count.

TRIZIN-M contains Vitamin E which is also called "sex vitamin" because it increases blood flow and oxygen to your genitalia.
